I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that this Chiropractic Office will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to this Chiropractic Office will be credited to me on receipt. However, I clearly understand and agree that all services rendered to me are charged directly to me and that I am responsible for payment.

Informed Consent to Chiropractic Adjustments and Care

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy and diagnostic x-rays on me (or on the patient named below, for whom I am legally responsible) by the doctor of chiropractic named below and/or other licensed doctors of chiropractic who now or in the future treat me while employed by, working or associated with or serving as backup for the doctor of chiropractic named below, including those working at the clinic or office listed below or any other office or clinic.

I have had an opportunity to discuss with the doctor of chiropractic named below/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and other procedures.

I understand and am informed that as in the practice of medicine, in practice of chiropractic there are some risks to treatment, including, but not limited to, fractures, disc injuries, strokes, dislocations, and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known, is in my best interest.

I have read, or have had read to me, the above consent. I have also had the opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
